

Beirut Port Explosion

2020-2021 Shelter and Protection Response

Mount Lebanon Sub-Office – As of December 2021

On 4 August 2020, the city of Beirut was hit by a devastating explosion which destroyed most of the city's port. The incident killed more than 200 people, injured over 6,500 and damaged an estimated 48,000 buildings, of which 1,144 buildings hosting 30,660 individuals were severely affected. In response to the incident, UNHCR allocated 22,000,000 USD to support the community to meet their Shelter and Protection needs.

22,000,000 USD
Total Budget

19,500,000 USD for Shelter

2,500,000 USD for Protection

88,860*
