Following the meeting, each delegation was requested to revert to the Statelessness Unit in Dakar with their finalised roadmaps integrating the comments made in plenary after their presentation in Abidjan. This report represents a compilation of roadmaps, as submitted to the Statelessness Unit in Dakar, except for countries from which the Statelessness Unit in Dakar did not receive roadmaps integrating comments made by the Unit and DIP, in Abidjan. For the few countries who did not submit their roadmaps (namely Benin and Sierra Leone), the roadmap below was filled in by the Statelessness Unit in Dakar, based on the secretariat notes, and shared with respective focal points in-country.

Benin (based on Secretariat notes)

~					
according to Article 79 (al. 1 and 2) of the current legislation have been found discriminatory in view of international conventions. This is why they have been removed as obstacles for naturalisation in the		Commission of the National Assembly.	2019 and needs to be promulgated by the President of the Republic.		
Civil Code yet to be promulgated.					
	child is born stateless	<u> </u>	<u> </u>		
Action 2 of the Global					
Acquisition of nationality by children born in the territory: Article 34 of the present Civil Code only provides for the situation of a child born in Guinea whose parents are unknown. In the new Civil Code, Article 58 also includes children of stateless or foreign parents if they could not benefit from another nationality at their birth.	Ministry of Justice, Law Commission of the National Assembly	Advocacy to this end has been conducted with the Ministry of Justice and the Law Commission of the National Assembly.	The new Civil Code has been adopted by the National Assembly in May 2019 and needs to be promulgated by the President of the Republic.	N/A	N/A
Acquisition of nationality for foundlings: Article 35 of the present Civil Code only grants	Ministry of Justice, Law Commission of the National Assembly	Advocacy to this end has been conducted with the Ministry of Justice and the Law	The new Civil Code has been adopted by the National Assembly in May 2019 and needs to be	N/A	N/A

<u> </u>					
nationality to newborn foundlings, which is not in accordance with international law. This is why Article 59 of the new law does not only grant nationality to newborn foundlings, but also grants the nationality "until proof to the contrary to every child found in Guinea who cannot provide precise information on the identity of his or her parents or their place of birth".		Commission of the National Assembly.	promulgated by the President of the Republic.		
Establishment of birth certificates for foundlings: Article 205 of the new law addresses the shortcoming of Article 197 of the present Civil Code, which does not specify how the civil registration official should establish the birth certificate of a foundling.	Ministry of Justice, Law Commission of the National Assembly	Advocacy to this end has been conducted with the Ministry of Justice and the Law Commission of the National Assembly.	The new Civil Code has been adopted by the National Assembly in May 2019 and needs to be promulgated by the President of the Republic.	N/A	N/A
