SUMMARY:

The refugee and asylum-seeker population in Kenya stood at **504,854** persons as of 31 December 2020, which comprises 452,920 (90%) refugees and 51,934 (10%) asylum-seekers. This is a slight increase from the November population of 502,921. The increase is mainly due to the resumption of registration activities by the refugee Affairs Secretariat (RAS), with the support of UNHCR, in Kakuma Refugee Camp and Kalobeyei Settlement amid COVID-19, including appropriate measures to ensure the safety of staff and persons of concern. Continuous registration activities are however limited in urban locations due to the recommended Ministry of Health COVID-19 safety guidelines across the country.

1. Population decreases:

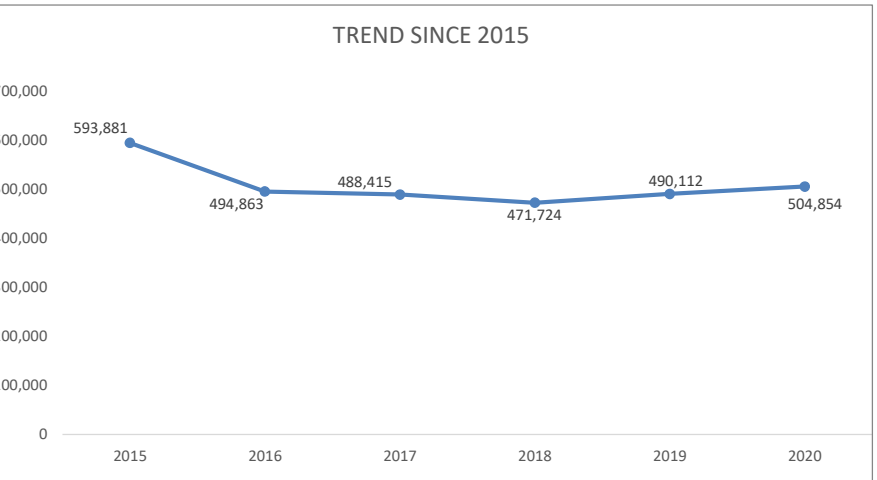

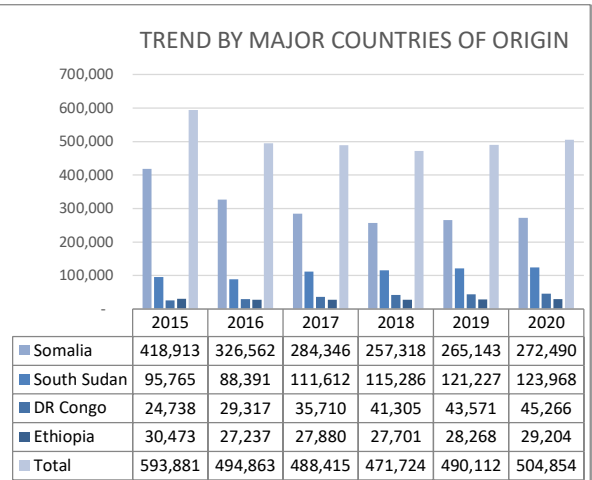

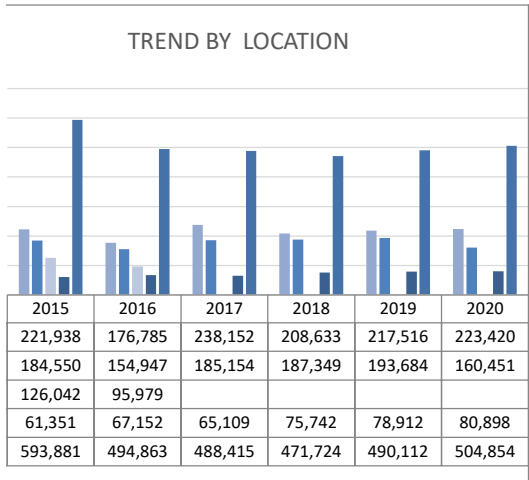

- **Voluntary Repatriation:** From 1 January to 31 December 2020, UNHCR and partners assisted a total of **329** persons to return to their places of origin voluntarily (including 190 individuals to Somalia). No departures were facilitated from March to November 2020 due to COVID-19 movement restrictions.
- **Resettlement:** From 1 January to 31 December 2020, a total of **443** refugees departed to various resettlement countries (no departures were facilitated in March, April, May and July 2020 due to COVID-19 movement restrictions).
- **Other Decreases:** Closure/Inactivation of 64 individuals during continuous registration activities.

2. Population increases:

- **New registration:** A total of **1,111** individuals were registered during the reporting period, mainly new arrivals registration and additions of newly born babies in Kakuma and Dadaab Refugee Camps. Hence, the total number of persons registered since January 2020 stands at 9,330 [Camps: 6,970 and Urban: 2,360]. They were mainly from Burundi, DR Congo, Ethiopia, Somalia, South Sudan and Sudan. Refugee Affairs Secretariat (RAS) in Kakuma was able to resume registration activities in full after UNHCR assisted RAS to put in place a range of COVID-19 prevention measures (PPEs, screens in interview rooms, reorganised queuing, appointment system etc. In other locations, emergency and vulnerable refugees were considered on a case-by-case basis and were exceptionally registered.
- **Other Increases:** Reactivation of 564 individuals after re-establishing contact with Refugee Affairs Secretariat offices during continuous registration activities.
