SUMMARY

The refugee and asylum-seeker population in Kenya stood at 534,622 persons as of 30 September 2021, which comprises 475,865 (89%) refugees and 58,757 (11%) asylum-seekers. This is a slight increase from the August 2021 population of 529,854 mainly due to new birth registrations undertaken during the reporting period and the steady increase in the number of new arrivals, mainly from South Sudan, Burundi, the Democratic Republic of the Congo, and Somalia.

The Refugee Affairs Secretariat (RAS), in collaboration with UNHCR, continued to undertake the verification and intention survey exercise in Dadaab Camps, albeit with strict adherence to the COVID-19 safety protocols with the help of Ministry of Health (MoH), Médecins Sans Frontiers (MSF) and the Kenya Red Cross Society (KRCS). The total individuals so far verified since the start of the exercise is 103,638 individuals. Following the resumption of registration activities in Kakuma in early July with a backlog of over 4,000 persons of concern, the Kakuma operation successfully cleared/registered all pending cases. In addition, continued support in scheduling and conducting bio-data interviews and reviews for cases considered for resettlement in the Application Integrated Management tool (AIM) is ongoing.

Population decreases:

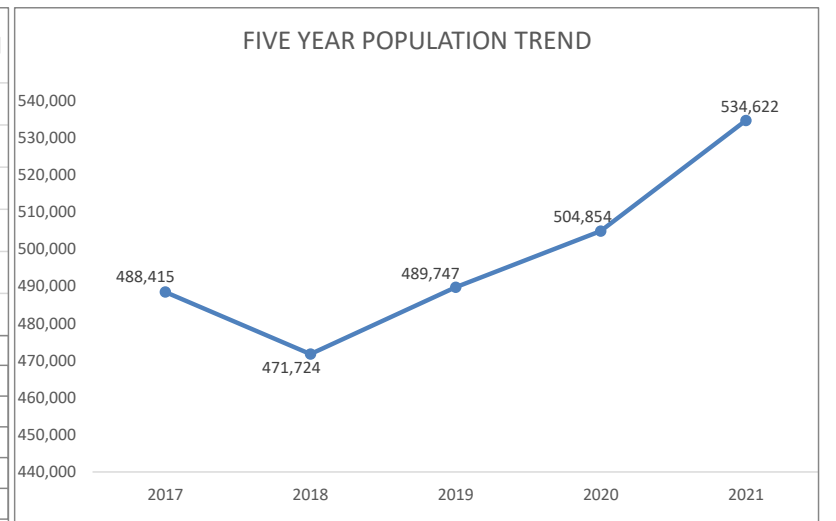

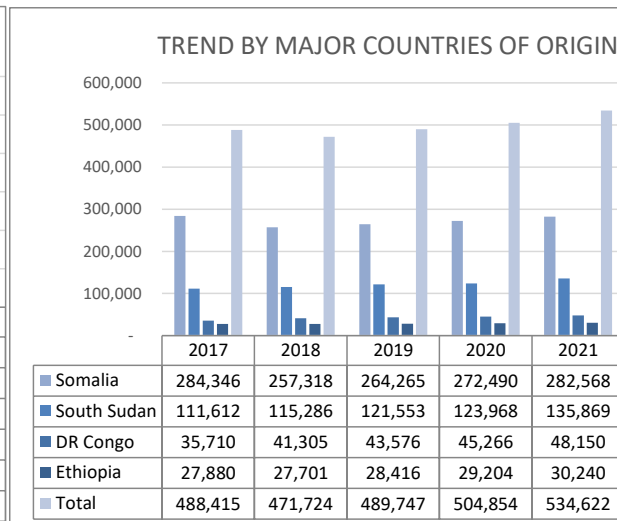

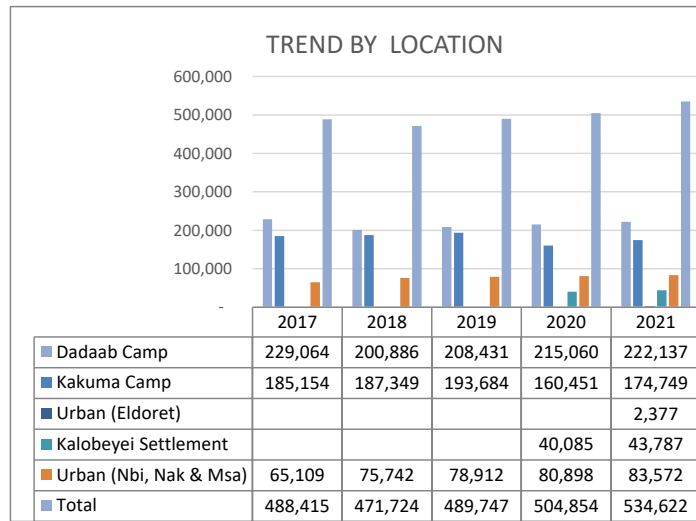

- **Voluntary Repatriation:** From 1 January to 30 September 2021, UNHCR and partners have assisted a total of 1,689 persons, including 198 Somalis, to return to their places of origin voluntarily.
- **Resettlement:** From 1 January to 31 August 2021, a total of 328 refugees departed to various resettlement countries.
- **Other Decreases:** Closure/Inactivation of 197 individuals during continuous registration activities.

Population increases:

- **New registration:** A total of 3,079 individuals were registered during the reporting period, mainly additions of newly born babies. Hence, the total number of persons registered since January 2021 stands at 21,585 [Camps: 18,746 and Urban: 2,839] – an average increase of 2,398 per month. They were mainly from Burundi, DR Congo, Ethiopia, Somalia and South Sudan.
- **Other Increases:** Reactivation of 340 individuals were reactivated after re-establishing contact with Refugee Affairs Secretariat offices during continuous registration activities.
