

# Covid-19 Response

DRC. A South Sudanese refugee creates his own handwashing station using wood, an old jerry can and rope.

# Covid-19 Response

Zimbabwe. Health promoters in Tongogara refugee camp using bicycles to distribute face masks in the camp.

# Emergencies

DRC. Roads are in a bad state in northern DRC. There is no bridge, no ferry, to cross the rivers to reach CAR refugees in northern DRC. Locals creatively make sure UNHCR can cross and deliver assistance.

# Emergencies

Mozambique. Internally displaced persons in Cabo Delgado gather in the village of Nanjua. Nearly 700,000 people from the war-torn province have been displaced since 2017.

# Livelihoods

Angola. Congolese refugee provides food at Lovua market.

The market contains 90 shops and caters to both refugees and Angolans.

# Climate Change

Mozambique. Isabella, was relocated with her family after Cyclone Idai badly impacted them in March 2019.

# Innovative operational responses

Zimbabwe. Support from the African Development Bank has enabled the installation of streetlights, an irrigation scheme, and potable water to improve the lives of refugee host communities.
