Table No. 11.2.1a Housing fund structure in 2001 – basic sectors (in %)

Housing sector	Share in the total number of flats in %	Share of people in the total number of persons living permanently in flats in %
Sector of owners	47	50
Rental sector	29	27
Co-operatives	17	17
Others and not identified	7	6
Total	100	100

Source: Czech Statistical Office, SLDB 2001

Table 11.2.2.3.1 Sub-programme “Support of social housing construction”

Subsidy title	in thousand CZK
1. Protected flat	600 up to 800*
2. Half-way flat	600
3. Starter flat	250

The flat subsidy amount depends on the size of the municipality: the maximum subsidy of CZK 800 thousand per flat is provided in municipalities with the population up to 10 thousand residents, CZK 700 thousand per flat in municipalities with the population within the range from 10 to 100 thousand residents, and CZK 600 thousand per flat in cities with the population exceeding 100 thousand residents.

Table No. 11.2.3 Overview of housing amenities in 2001

Amenities	Share of flats with this kind of amenities (%)	Share of people living in flats furnished with this kind of amenities (%)
Gas distribution	64.1	64.1
Duct in the flat	98.5	99.0
Own toilet	95.4	96.6
Own bathroom or shower	96.1	97.2
Central heating	73.6	76.2
Individual heating system	8.1	8.3
Solid fuel heaters	3.9	3.3
Public sewage connection	74.8	72.8

Source: Final account of the Czech Republic, Final account - Chapter 333-MŠMT, 700-Municipalities and DSO; Regional Offices, 380-District Offices, Ministry of Agriculture-329, 307-Ministry of Defense, Czech Statistical Office

Comments ¹⁾ Due to substantial changes of the methodology related to the funding of education, which resulted from the restructuring of public administration (in 2001 and 2002), the data of individual budgetary chapters should not be compared in time.

²⁾ Total education expenditures: Data from the Chapters 333-MŠMT; 700-Municipalities and DSO; Regional Offices; 380-District Offices (the budgetary provisions from MŠMT) and from other sectors (Ministry of Defence, Ministry of Agriculture till 2001, the data from the Ministry of Interior have not been available, and the Ministry of Justice does not account for education expenditures).

³⁾ As from 2001, the following items from the given budgetary structure classes have not been included due to consolidation: 5321; 5323; 5329; 5344; 5345; 5349; 5366; 5641; 5642; 5649; 6341; 6342; 6349; 6441; 6442; and 6449.
