(b) Provide updated information on the impact of awareness-raising programmes. Indicate how the access of persons with disabilities to social services and goods is ensured in practice at the level of municipalities as well as other levels. Supply detailed information on the implementation of the State party's disability policy in its next periodic report;

(c) Take effective measures to increase the employment rate for persons with disabilities, including those with a reduced work capacity.

Para. 13: Take effective measures to ensure that fundamental legal safeguards are guaranteed in practice to all persons held in custody, in particular the right to have access to a medical doctor, and to promptly inform a close relative or a third party concerning their arrest. Ensure that the information leaflet on fundamental safeguards is made available at all places where persons are deprived of their liberty.

Para. 16: Ensure that no individuals, including persons suspected of terrorism, are exposed to the danger of torture or cruel, inhuman or degrading treatment or punishment.

Exercise the utmost care in the use of such assurances and adopt clear and transparent procedures allowing review by adequate judicial mechanisms before individuals are deported, as well as effective means to monitor the fate of the individuals concerned.

Para. 17: Permit detention of asylum-seekers only in exceptional circumstances and limit the length of such detentions; avoid placing asylum-seekers in remand prisons. Consider placement alternatives for asylum-seekers and ensure that asylum-seekers are not deported before a final decision concerning their applications has been taken.
