Enclosure**REPORT OF THE REPUBLIC OF KENYA TO THE
COUNTER-TERRORISM COMMITTEE PURSUANT TO
SECURITY COUNCIL RESOLUTION 1373 (2001) ***

The position of Kenya on the fight against terrorism is well elaborated in her initial report to the Counter Terrorism Committee submitted in 2001. Kenya strongly condemns acts of terrorism in all their manifestations having suffered direct impact of terrorism on 7th August 1998 and 28th November, 2002.

As a country Kenya is taking various legislative and executive measures to ensure compliance with Security Council Resolution 1373 (2001) and also to enhance global implementation of this resolution.

LEGISLATIVE ACTION

After the September 11, 2001 terrorist attacks in the United States of America, Kenya realized that the existing legislative framework could not effectively deal with the various aspects of terrorism.

The Government has therefore embarked on the enactment of anti-terrorism legislation. The office of the Attorney-General has prepared a Counter-Terrorism Bill which is set to go to Parliament for debate soon while the Anti Money Laundering and Proceeds of Crime Bill 2003 is being finalized.

Further there is a move to harmonize other existing legislation with the proposed Anti-Money Laundering and Proceeds of Crime Bill. The statutes to be reviewed include the following:-

- Banking Act (Cap. 488)
- Narcotic Drugs and Psychotropic Substances (control) Act No. 4 of 1994.
- Fugitive Offenders Pursuit Act (Cap. 87)
- Extradition (contiguous and Foreign Countries) Act (Cap. 76)

* Additional enclosures are with the Secretariat and are available for consultation.

- Extradition (Commonwealth Countries) Act (Cap. 77)
- Capital Markets Authority Act (Cap. 485 A)
- Insurance Act (Cap. 487)
- Official Secrets Act (Cap. 187)
- Criminal Procedure Code (Cap. 75)
- Penal Code (Cap. 63)
- Civil Procedure Code (Cap 21)
- Evidence Act(Cap.80)

EXECUTIVE ACTION

The Central Bank of Kenya has put in place administrative measures to deal with the identification, tracing and freezing of financial assets belonging to persons identified with terrorist activities and money laundering.

A multi disciplinary National Anti-Money Laundering Task Force (NTF) to assist in implementing the resolutions of the UN Resolution 1373 (2001) was formed in February, 2002 with Representatives from the following institutions:-

Central Bank of Kenya

Ministry of Finance (Treasury)

Police Headquarters

National Security Intelligence Services

Attorney General's Chambers

Kenya Revenue Authority

Kenya Bankers' Association

Commissioner of Insurance

Immigration Department

Ministry of Trade & Industry.

The Anti-Money Laundering Task Force has been instrumental in the drafting of the Anti-Money Laundering and Proceeds of Crime Bill. The following provisions have been included in the Bill:-

- (a) Modalities for tracing, seizing and freezing suspected money laundering accounts.
- (b) A procedure for the confiscation of proceeds of crime, including proceeds of money laundering once the crime has been established.
- (c) Outlawing of maintenance of anonymous banks accounts.
- (d) Requirement for mandatory reporting of any suspicious transactions.

As a stopgap measure before the enactment of Anti-Money Laundering and proceeds of Crime Bill, the Central Bank of Kenya issued prudential regulations on money laundering to all financial sectors which took effect on 1st October, 2000. These regulations are founded on the policy of "know you customer" and mandates financial institutions to report any suspicious activities or transactions to Central Bank of Kenya.

The enactment of the Banking Amendment Act 2001 has facilitated the sharing of information amongst Banks and with Central Bank. The Central Bank of Kenya has also continued with special inspection programmes to detect any terrorist accounts with all the financial institutions.

The Task Force is working on a proposed programme to sensitize policy makers, legislators and the general public on the need to

combat money laundering and financing of terrorism. An Anti - Terrorism Unit consisting of officers from all security agencies has been established effective February, 2003.
