

Since the beginning of 2017, the UN and partners successfully delivered multi-sectoral assistance through inter-agency operations, reaching 434,000 people in besieged and hard-to-reach areas with dire humanitarian needs. A total of nine inter-agency convoys have been undertaken. In addition, during 2017, 46 WFP-led airdrops dispatched 933.9 metric tons of food supplies for the besieged parts of Deir-ez-Zor city. The fifth round of food distribution for 93,500 people was completed on 28 March. During 2017, 145 airlifts to Quamishli have delivered 5,184 metric tons of food, WASH, nutrition, health and NFIs on behalf of UN and partners.

Population in besieged areas

<sup>1</sup> Estimated besieged population per 35th Report of the Secretary-General of 26 January 2016.

\* Number of people in besieged, HTR, and other priority XL locations provided with multi-sectoral humanitarian assistance including food for at least one month in 2017.

\*\* Other priority areas located across conflict lines with a high prevalence of humanitarian needs.

<sup>2</sup> New number of people that received or will receive food assistance sufficient for one month within a 30-day period. In the case of Deir-ez-Zor city beneficiaries of partial rations are counted as receiving new assistance once the planned food materials are delivered in full or a new round of deliveries begin.

<sup>3</sup> Number of people reached by airlifts are not reflected, as deliveries are part of regular program.
