Azerbaijan: Fabricated publications

Amnesty International regrets that articles appearing recently on Azerbaijani media sites Avrasiya.net, Veteninfo.az, Aznews.az titled *Eynulla Fətulayevə daha bir zərbə (Another blow to Eynulla Fatullayev)* purportedly quoting Amnesty International's researcher Natalia Nozadze are complete fabrications.

The alleged interview or statement discussing Eynjulla Fatullayev was never issued by either Amnesty International, or Natalia Nozadze.
