## Article 5

## Readmission of third-country nationals and stateless persons

1. A Member State shall readmit, upon application by Moldova and without further formalities other than those provided for in this Agreement, all third-country nationals or stateless persons who do not, or who no longer, fulfil the conditions in force for entry to, presence in, or residence on, the territory of Moldova provided that, in accordance with Article 9, it is proved, or may be validly assumed on the basis of *prima facie* evidence furnished, that such persons:

3. The readmission obligation in paragraph 1 is for the Member State that issued a visa or residence permit. If two or more Member States issued a visa or residence permit, the readmission obligation in paragraph 1 is for the Member State that issued the document with a longer period of validity or, if one or several of them have already expired, the document that is still valid. If all of the documents have already expired, the readmission obligation in paragraph 1 is for the Member State that issued the document with the most recent expiry date. If no such documents can be presented, the readmission obligation in paragraph 1 is for the Member State of last exit.

## SECTION III

## Article 8

## READMISSION PROCEDURE

**Means of evidence regarding nationality**

## Article 6

**Principles**

1. Subject to paragraph 2, any transfer of a person to be readmitted on the basis of one of the obligations contained in Articles 2 to 5 shall require the submission of a readmission application to the competent authority of the Requested State.
2. No readmission application shall be needed where the person to be readmitted is in possession of a valid travel document and, in case such a person is a third-country national or stateless person, also holds, where applicable, a valid visa or residence permit of the Requested State.
3. If a person has been apprehended in the border region (including airports) of the Requesting State after illegally crossing the border coming directly from the territory of the Requested State, the Requesting State may submit a readmission application within two days following this persons apprehension (accelerated procedure).

## Article 7

**Content of the Readmission application**

1. To the extent possible, the readmission application is to contain the following information:
  - (a) the particulars of the person to be readmitted (e.g. given names, surnames, date of birth, and — where possible — place of birth, and the last place of residence) and, where appropriate, the particulars of minor unmarried children and/or spouses;
  - (b) indication of the means with which proof or *prima facie* evidence of nationality, transit, the grounds for the readmission of third-country nationals and stateless persons and unlawful entry and residence will be provided.
2. To the extent possible, the readmission application shall also contain the following information:
  - (a) a statement indicating that the person to be transferred may need help or care, provided the person concerned has explicitly consented to the statement;
  - (b) any other protection, security measure or information concerning the health of the person, which may be necessary in the individual transfer case.
3. A common form to be used for readmission applications is attached as Annex 5 to this Agreement.

1. Nationality pursuant to Article 2(1) and Article 4(1) can be proved by means of the documents listed in Annex 1 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and Moldova shall mutually recognise the nationality without further investigation being required. Proof of nationality cannot be furnished through false documents.

2. *Prima facie* evidence of nationality pursuant to Article 2(1) and Article 4(1) can be particularly furnished through the documents listed in Annex 2 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and Moldova shall deem the nationality to be established, unless they can prove otherwise. *Prima facie* evidence of nationality cannot be furnished through false documents.

3. If none of the documents listed in Annexes 1 or 2 can be presented, the competent Diplomatic Mission or Consular Office of the Requested State concerned shall, upon request, make arrangements with the competent authority of the Requesting State to interview the person to be readmitted without undue delay, at the latest within three working days from the requesting day, in order to establish his or her nationality.

## Article 9

**Means of evidence regarding third-country nationals and stateless persons**

1. Proof of the grounds for the readmission of third-country nationals and stateless persons laid down in Article 3(1) and Article 5(1) shall be particularly furnished through the means of evidence listed in Annex 3 to this Agreement; it cannot be furnished through false documents. Any such proof shall be mutually recognised by the Member States and Moldova without any further investigation being required.

2. *Prima facie* evidence of the grounds for the readmission of third-country nationals and stateless persons laid down in Article 3(1) and Article 5(1) shall be particularly furnished through the means of evidence listed in Annex 4 to this Agreement; it cannot be furnished through false documents. Where such *prima facie* evidence is presented, the Member States and Moldova shall deem the grounds to be established, unless they can prove otherwise.

3. The unlawfulness of entry, presence or residence shall be established by means of the travel documents of the person concerned in which the necessary visa or other residence permit for the territory of the Requesting State are missing. A statement by the Requesting State that the person concerned has been found not having the necessary travel documents, visa or residence permit shall likewise provide *prima facie* evidence of the unlawful entry, presence or residence.

## Article 10

**Time limits**

1. The application for readmission must be submitted to the competent authority of the Requested State within a maximum of 6 months after the Requesting State's competent authority has gained knowledge that a third-country national or a stateless person does not, or does no longer, fulfil the conditions in force for entry, presence or residence. Where there are legal or factual obstacles to the application being submitted in time, the time limit shall, upon request by the Requesting State, be extended but only until the obstacles have ceased to exist.

2. A readmission application must be replied to in writing:

- within two working days, if the application has been made under the accelerated procedure (Article 6(3)),
- within 11 working days in all other cases.

These time limits begin to run with the date of receipt of the readmission request. If there was no reply within this time limit, the transfer shall be deemed to have been agreed to.

3. Where there are legal or factual obstacles to the application being replied to within 11 working days, this time limit may, upon duly motivated request, be extended with a maximum of two working days. If there was no reply within the extended time limit, the transfer shall be deemed to have been agreed to.

4. Reasons shall be given for the refusal of a readmission request.

5. After agreement has been given or, where appropriate, after expiry of the time limit laid down in paragraph 2, the person concerned shall be transferred within three months. On request of the Requesting State, this time limit may be extended by the time taken to deal with legal or practical obstacles.

## Article 11

**Transfer modalities and modes of transportation**

1. Before returning a person, the competent authorities of Moldova and the Member State concerned shall make arrangements in writing in advance regarding the transfer date, the border crossing point, possible escorts and other information relevant to the transfer.

2. Transportation may take place by air or land. Return by air shall not be restricted to the use of the national carriers of Moldova or the Member States and may take place by using scheduled or charter flights. In the event of escorted returns, such escorts shall not be restricted to authorised persons of the Requesting State, provided that they are authorised persons from Moldova or any Member State.

## Article 12

**Readmission in error**

The Requesting State shall take back any person readmitted by the Requested State if it is established, within a period of three months after the transfer of the person concerned, that the requirements laid down in Articles 2 to 5 of this Agreement are not met.

In such cases the procedural provisions of this Agreement shall apply *mutatis mutandis* and all available information relating to the actual identity and nationality of the person to be taken back shall be provided.

## SECTION IV

**TRANSIT OPERATIONS**

## Article 13

**Principles**

1. The Member States and Moldova should restrict the transit of third-country nationals or stateless persons to cases where such persons cannot be returned to the State of destination directly.

2. Moldova shall allow the transit of third-country nationals or stateless persons if a Member State so requests, and a Member State shall authorise the transit of third-country nationals or stateless persons if Moldova so requests, if the onward journey in possible other States of transit and the readmission by the State of destination is assured.

3. Transit can be refused by Moldova or a Member State:

- (a) if the third-country national or the stateless person runs the real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, nationality, membership of a particular social group or political conviction in the State of destination or another State of transit; or
- (b) if the third-country national or the stateless person shall be subject to criminal sanctions in the Requested State or in another State of transit; or
- (c) on grounds of public health, domestic security, public order or other national interests of the Requested State.

4. Moldova or a Member State may revoke any authorisation issued if circumstances referred to in paragraph 3 subsequently arise or come to light which stand in the way of the transit operation, or if the onward journey in possible States of transit or the readmission by the State of destination is no longer assured. In this case, the Requesting State shall take back the third-country national or the stateless person, as necessary and without delay.

## Article 14

**Transit procedure**

1. An application for transit operations must be submitted to the competent authority of the Requested State in writing and is to contain the following information:

- (a) type of transit (by air or land), possible other States of transit and intended final destination;
- (b) the particulars of the person concerned (e.g. given name, surname, maiden name, other names used/by which known or aliases, date of birth, sex and — where possible — place of birth, nationality, language, type and number of travel document);
- (c) envisaged border crossing point, time of transfer and possible use of escorts;
- (d) a declaration that in the view of the Requesting State the conditions pursuant to Article 13(2) are met, and that no reasons for a refusal pursuant to Article 13(3) are known of.

A common form to be used for transit applications is attached as Annex 6 to this Agreement.

2. The Requested State shall, within four working days and in writing, inform the Requesting State of the admission, confirming the border crossing point and the envisaged time of admission, or inform it of the admission refusal and of the reasons for such refusal.

3. If the transit operation takes place by air, the person to be readmitted and possible escorts shall be exempted from having to obtain an airport transit visa.

4. The competent authorities of the Requested State shall, subject to mutual consultations, assist in the transit operations, in particular through the surveillance of the persons in question and the provision of suitable amenities for that purpose.

## SECTION V

**COSTS**

## Article 15

**Transport and transit costs**

Without prejudice to the right of the competent authorities to recover the costs associated with the readmission from the person to be readmitted or third parties, all transport costs incurred in connection with readmission and transit operations pursuant to this Agreement as far as the border of the State of final destination shall be borne by the Requesting State.

## SECTION VI

**DATA PROTECTION AND NON-AFFECTION CLAUSE**

## Article 16

**Data Protection**

<sup>(1)</sup> Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data (OJ L 281, 23.11.1995, p. 31).

- (f) both the communicating authority and the receiving authority shall take every reasonable step to ensure as appropriate the rectification, erasure or blocking of personal data where the processing does not comply with the provisions of this article, in particular because those data are not adequate, relevant, accurate, or they are excessive in relation to the purpose of processing. This includes the notification of any rectification, erasure or blocking to the other Party;
- (g) upon request, the receiving authority shall inform the communicating authority of the use of the communicated data and of the results obtained therefrom;
- (h) personal data may only be communicated to the competent authorities. Further communication to other bodies requires the prior consent of the communicating authority;
