Reaffirming the Treaty establishing the Economic Community of-West African States signed in Lagos on 28 May, 1975 and considering its achievements:

Conscious of the over-riding need to encourage, foster and accelerate the economic and social development of our States in order to improve the living standards of our peoples;

Convinced that the promotion of harmonious economic development of our States calls for effective economic co-operation and integration largely through a determined and concerted policy of self-reliance;

Bearing in mind the African Charter on Human and People's Rights and the Declaration of Political Principles of the Economic Community of West African States adopted in Abuja by the Fourteenth Ordinary Session of the Authority of Heads of State and Government on 6 July 1991;

Convinced that the integration of the Member States into a viable regional Community may demand the partial and gradual pooling of national sovereignties to the Community within the context of a collective political will;

Accepting the need to establish Community Institutions vested with relevant and adequate powers;

Noting that the present bilateral and multilateral forms of economic co-operation within the region open up perspectives for more extensive co-operation;

Accepting the need to face together the political, economic and socio-cultural challenges of the present and the future, and to pool together the resources of our peoples while respecting our diversities for the most rapid and optimum expansion of the region's productive capacity;

Bearing in mind also the Lagos Plan of Action and the Final Act of Lagos of April 1980 stipulating the establishment, by the year 2000, of an African Economic Community based on existing and future regional economic communities;

Mindful of the Treaty establishing the African Economic Community signed in Abuja on 3 June, 1991;

Affirming that our final goal is the accelerated and sustained economic development of Member States, culminating in the economic union of West Africa;

Bearing in mind our Decision A/DEC 10/5/90 of 30 May, 1990 relating to the establishment of a Committee of Eminent Persons to submit proposals for the review of the Treaty:

Aware that the review of the Treaty arises, inter alia, from the need for the Community to adapt to the changes on the international scene in order to derive greater benefits from those changes;

Considering also the need to modify the Community's strategies in order to accelerate the economic integration process in the region;

Accepting the need to share the benefits of economic co-operation and integration among Member States in a just and equitable manner;
