*Recalling also* the relevant resolutions of the Security Council,

*Having considered* the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2015,<sup>1</sup>

*Taking note* of the letter dated 31 May 2016 from the Chair of the Advisory Commission of the Agency addressed to the Commissioner-General,<sup>2</sup> and noting the extraordinary meeting of the Commission held on 8 September 2016,

*Underlining* that, at a time of heightened conflict and instability in the Middle East, the Agency continues to play a vital role in ameliorating the plight of the Palestine refugees through the provision of, inter alia, essential education, health, relief and social services programmes and emergency assistance to a registered population of 5.3 million refugees whose situation has become extremely precarious, and in providing a crucial measure of stability in the region,

*Deeply concerned* about the extremely critical financial situation of the Agency, caused by the structural underfunding of the Agency, as well as by rising needs and expenditures resulting from the deterioration of the socioeconomic and humanitarian conditions and the conflicts and rising instability in the region and their significant negative impact on the ability of the Agency to deliver essential services to the Palestine refugees, including its emergency, recovery, reconstruction and development programmes in all fields of operation,

*Deploring also* attacks affecting United Nations installations, including Agency schools sheltering displaced civilians, and all other breaches of the inviolability of United Nations premises during the conflict in the Gaza Strip in July and August 2014, as reported in the summary by the Secretary-General of the report of the Board of Inquiry<sup>8</sup> and by the independent commission of inquiry established pursuant to Human Rights Council resolution [S-21/1](#),<sup>9</sup> and stressing the imperative of ensuring accountability,

*Gravely concerned* about the lasting negative repercussions of the military operations in the Gaza Strip between December 2008 and January 2009, in November 2012 and in July and August 2014 on the humanitarian and socioeconomic situation of the Palestine refugees in the Gaza Strip, including high rates of food insecurity, poverty, displacement and depletion of coping capacities,
