

**Security Council**

Distr.: General

21 June 2005

Resolution 1607 (2005)**Adopted by the Security Council at its 5208th meeting, on
21 June 2005**

The Security Council,

Recalling its previous resolutions and statements by its President on the situation in Liberia and West Africa,

Taking note of the reports of the United Nations Panel of Experts on Liberia dated 17 March 2005 (S/2005/176) and 13 June 2005 (S/2005/360), and the report of the Secretary-General dated 7 June 2005 (S/2005/376), submitted pursuant to resolution 1579 (2004),

Recognizing the linkage between the illegal exploitation of natural resources such as diamonds and timber, illicit trade in such resources, and the proliferation and trafficking of arms and the recruitment and use of mercenaries as one of the sources of fuelling and exacerbating conflicts in West Africa, particularly in Liberia,

Recalling that the measures imposed under resolution 1521 (2003) were designed to prevent such illegal exploitation from fuelling a resumption of the conflict in Liberia, as well as to support the implementation of the Comprehensive Peace Agreement and the extension of the authority of the National Transitional Government throughout Liberia,

Expressing its concern that, while the deployment of the United Nations Mission in Liberia (UNMIL) has contributed to the improvement of security throughout Liberia, the National Transitional Government has not yet established its authority throughout Liberia,

Emphasizing the need for the international community to help the National Transitional Government increase its capacity to establish its authority throughout Liberia, particularly to establish its control over the diamond- and timber-producing areas and Liberia's borders,

Expressing deep concern at information that former President Charles Taylor and others still closely associated with him continue to engage in activities that undermine peace and stability in Liberia and the region,

Having reviewed the measures imposed by paragraphs 2, 4, 6 and 10 of resolution 1521 (2003) and paragraph 1 of resolution 1532 (2004) and the progress

towards meeting the conditions set forth in paragraphs 5, 7 and 11 of resolution 1521 (2003),

Welcoming the assessment of the Panel of Experts that there is no evidence of illegal timber being exported from Liberia, but *noting* with concern that few of the reforms in the National Transitional Government of Liberia road map necessary to meet the conditions set forth in paragraph 11 of resolution 1521 (2003) for lifting the measures on timber imposed by paragraph 10 of resolution 1521 (2003) have been implemented,

Acknowledging the recent completion of the Forest Concession Review and *welcoming* the report of the Forest Concession Review Committee,

Welcoming the progress made by the National Transitional Government of Liberia with training for diamond mining officials, but *noting with serious concern* the increase in unlicensed mining and illegal exports of diamonds and the National Transitional Government of Liberia's agreement to, and lack of transparency in, granting exclusive mining rights to a single company,

Noting with concern the limited progress made by the National Transitional Government of Liberia towards establishing transparent financial management systems that will help ensure that government revenues are not used to fuel conflict or otherwise used in violation of the Council's resolutions but are used for legitimate purposes for the benefit of the Liberian people, including development,

Taking note of the ongoing discussions regarding a Liberia Economic Governance Action Plan, designed to ensure prompt implementation of the Comprehensive Peace Agreement and to expedite the lifting of measures imposed by resolution 1521 (2003), and expressing its intention to consider, as appropriate, the Action Plan,

Emphasizing that, despite completion of demobilization and disarmament, significant challenges remain in completing reintegration and repatriation of ex-combatants and restructuring of the security sector, as well as establishing and maintaining stability in Liberia and the subregion,

Determining that the situation in Liberia continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Decides*, on the basis of its assessments above of progress made by the National Transitional Government of Liberia towards meeting the conditions for lifting the measures imposed by resolution 1521 (2003), to renew the measures on diamonds imposed by paragraph 6 of resolution 1521 (2003) for a further period of six months from the date of adoption of this resolution;

2. *Urges* the National Transitional Government of Liberia to intensify its efforts, with the support of UNMIL, to establish its authority over the diamond-producing areas, and to work towards establishing an official Certificate of Origin regime for trade in rough diamonds that is transparent and internationally verifiable, with a view to joining the Kimberley Process;

3. *Reiterates* the Council's readiness to terminate all measures imposed by resolution 1521 (2003) once the conditions set forth in paragraphs 5, 7 and 11 of resolution 1521 (2003) have been met;

4. *Calls* on the National Transitional Government of Liberia urgently to intensify its efforts to reform the Forestry Development Authority, to implement the Liberia Forest Initiative and to implement the Forest Concession Review Committee's recommendations for reform, which will ensure transparency, accountability and sustainable forest management and contribute towards the lifting of the measures on timber set forth in paragraph 10 of resolution 1521 (2003);

5. *Invites* the National Transitional Government of Liberia to consider, with the assistance of international partners and for a specific time period, the possibility of commissioning independent external advice on the management of Liberia's diamond and timber resources, in order to increase investor confidence and attract additional donor support;

6. *Notes* that the measures imposed by paragraph 1 of resolution 1532 (2004) remain in force to prevent former President Charles Taylor, his immediate family members, senior officials of the former Taylor regime, or other close allies or associates from using misappropriated funds and property to interfere in the restoration of peace and stability in Liberia and the subregion, and *reconfirms its intention* to review these measures at least once a year;

7. *Reiterates* its intention to consider whether and how to make available to the Government of Liberia the funds, other financial assets and economic resources frozen pursuant to paragraph 1 of resolution 1532 (2004), once that Government has established transparent accounting and auditing mechanisms to ensure the responsible use of government revenue to benefit directly the people of Liberia;

8. *Emphasizes* its concern that the National Transitional Government of Liberia has taken no action to implement its obligations under paragraph 1 of resolution 1532 (2004), and *calls on* the Government to take such action immediately, particularly through adopting the necessary domestic legislation, with technical support provided by Member States;

9. *Notes* also that the measures on arms, travel and timber imposed by paragraphs 2, 4 and 10 respectively of resolution 1521 (2003) and renewed by paragraph 1 of resolution 1579 (2004) remain in force until 21 December 2005;

10. *Urges* UNMIL to intensify its efforts, as mandated in resolution 1509 (2003), to assist the National Transitional Government of Liberia in re-establishing its authority throughout Liberia, including diamond-producing and timber-producing areas, and restoring proper administration of natural resources;

11. *Reiterates* the importance of UNMIL's continuing assistance to the National Transitional Government of Liberia, the Committee established by paragraph 21 of resolution 1521 (2003) ("the Committee") and the Panel of Experts, within its capabilities and areas of deployment, and without prejudice to its mandate, in the following areas:

(a) monitoring the implementation of the measures in paragraphs 2, 4, 6 and 10 of resolution 1521 (2003) in accordance with paragraph 23 of that resolution;

(b) supporting efforts by the Transitional Government to prevent violations of those measures, and reporting any such violations;

(c) collecting, as appropriate, arms and any related materiel brought into Liberia in violation of the measures taken by States to implement paragraph 2 of

resolution 1521 (2003), and disposing of such arms and related materiel as appropriate;

(d) assisting the National Transitional Government of Liberia in monitoring the recruitment and movement of ex-combatants, and reporting any relevant information to the Panel and the Committee, in order to reduce the opportunity for ex-combatants to undermine the peace process or provoke renewed instability in Liberia and the subregion;

(e) developing a strategy, in conjunction with the Economic Community of West African States and other international partners, to consolidate a national legal framework as mandated in resolution 1509 (2003), including the implementation by the National Transitional Government of Liberia of the measures in paragraph 1 of resolution 1532 (2004);

12. *Calls upon* UNMIL and the United Nations Missions in Sierra Leone and Côte d'Ivoire to intensify their cooperation, within their capabilities and areas of deployment and without prejudice to their mandates, to monitor arms trafficking and recruitment of mercenaries within the subregion;

13. *Reiterates* its call on the international donor community to continue to provide assistance to the peace process, including for reintegration of ex-combatants and reconstruction, to contribute generously to consolidated humanitarian appeals, to disburse as soon as possible the pledges made at the Liberia Reconstruction Conference in New York on 5-6 February 2004 and to respond to the financial, administrative and technical needs of the National Transitional Government of Liberia, in particular to assist the Government to meet the conditions referred to in paragraph 3 above, so that the measures can be lifted as soon as possible;

14. *Decides* to re-establish the Panel of Experts appointed pursuant to resolution 1579 (2004) for a further period until 21 December 2005 to undertake the following tasks:

(a) to conduct a follow-up assessment mission to Liberia and neighbouring States, in order to investigate and compile a report on the implementation, and any violations, of the measures imposed by resolution 1521 (2003), including any information relevant to the designation by the Committee of the individuals described in paragraph 4 (a) of resolution 1521 (2003) and paragraph 1 of resolution 1532 (2004), and including the various sources of financing, such as from natural resources, for the illicit trade of arms;

(b) to assess the impact and effectiveness of the measures imposed by paragraph 1 of resolution 1532 (2004);

(c) to assess the progress made towards meeting the conditions for lifting the measures imposed by resolution 1521 (2003);

(d) to assess the humanitarian and socio-economic impact of the measures imposed by paragraphs 2, 4, 6 and 10 of resolution 1521 (2003);

(e) to report to the Council through the Committee by 7 December 2005 on all the issues listed in this paragraph, and to provide informal updates to the Committee as appropriate before that date, especially on progress towards meeting the conditions for lifting the measures imposed by paragraphs 6 and 10 of resolution 1521 (2003);

(f) to cooperate with other relevant groups of experts, in particular that established on Côte d'Ivoire by resolution 1584 of 1 February 2005;

15. *Requests* the Secretary-General, acting in consultation with the Committee, to appoint as soon as possible no more than five experts, with the appropriate range of expertise, in particular on arms, timber, diamonds, finance, humanitarian and socio-economic and any other relevant issues, drawing as much as possible on the expertise of the members of the Panel of Experts established pursuant to resolution 1579 (2004), and further requests the Secretary-General to make the necessary financial and security arrangements to support the work of the Panel;

16. *Calls upon* all States and the National Transitional Government of Liberia to cooperate fully with the Panel of Experts;

17. *Decides* to remain seized of the matter.
