

Approximately 5 million people are in need of humanitarian assistance. Of these more than 1.3 million people are internally displaced. However many more remain unregistered because of changes and inconsistencies in the registration process. Social services are severely constrained and banking systems interrupted. This impacts on humanitarian situation in non-government controlled areas. Bureaucratic impediments continue to hamper humanitarian access.

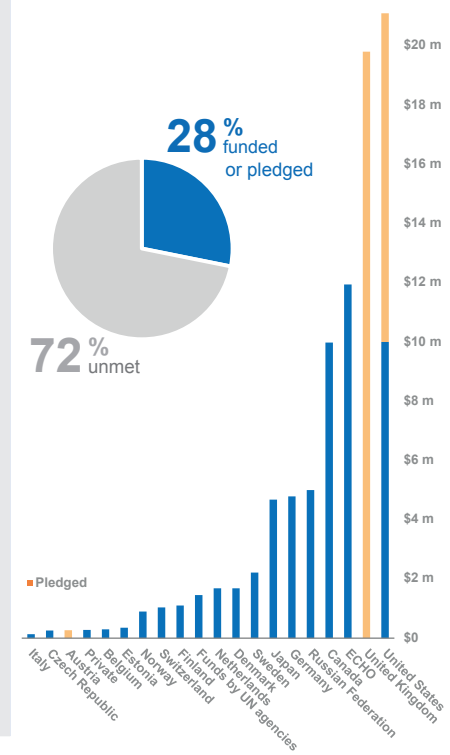

5 million PEOPLE IN NEED

3.2 million CIVILIANS TARGETED HRP JAN-DEC 2015

1.3 million IDPs

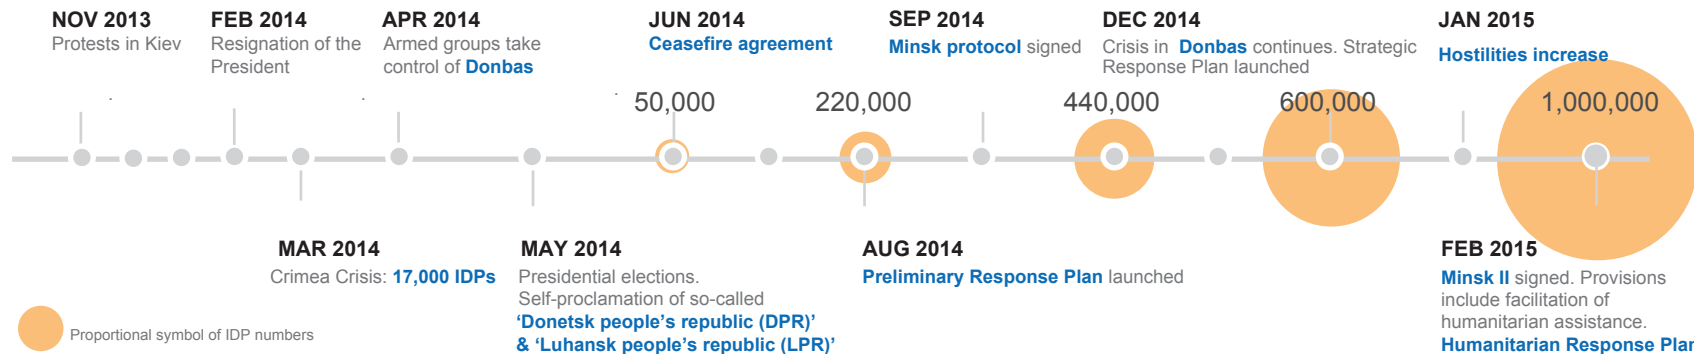

FUNDING
\$316 million requested
\$89 million funded or pledged
