

PAKISTAN: IDPs

ReliefWeb

25 km

20 May 2009 - Over 1.2 million people have fled from Swat, Lower Dir, Buner and Shangla since the end of April as a result of the increased insecurity, bringing the total number of IDPs in the NWFP to an est. 1.78 million. 83% have settled in shelter with host families or rented accommodation, and 17% in IDP camp or spontaneous collective centre.
